

Violet is always using the materials at hand to devise an invention when there's trouble. Here is a scenario where you will need to invent something:

Unfortunately you are trapped at the bottom of a well.
Using the space below, describe or draw an invention that will help you using the following items:

A candle

A packet of gum

Eyeglasses

A large bucket

Fish food

Six envelopes

A box of rubber bands

A pair of tongs

The French flag

Shoelaces

A can of root beer

A large, irregularly shaped white area with a torn edge, intended for drawing or writing an invention. It occupies the bottom two-thirds of the page.
